

# DR Seminar 202 Tables

SMARTdesks Computer Tables are the most versatile computer training tables available. SMARTdesks Seminar Tables are composed of two groups, defined by distinctive leg bases (202 and 205 series legs). Both styles, however, are available in a great range of sizes and color combinations.

## Great Laptop Labs and Computer Classrooms Begin with SMARTdesks Computer Tables

Add your choice of CPU Holder. (Optional)

The Brig™ provides asset security for standard tower CPUs, plus complete access to connections and drives. Hangs in-line with leg to save space.

The Li'l Brig™ gives security for small form factor CPUs. Space saving design. Complete access to drives and connections.

EZ-Cinch™ holds CPUs of any size with two adjustable nylon web straps. Hangs in line with leg. Complete access to drives and connections.

## DR Seminar 202 Tables

DR Seminar 202 Series Tables have a rectangular top with fold down, removeable 10" modesty panel. The legs are black, offset-T shaped, tubular steel legs with wire management holes (2" diameter, 14 gauge steel, black nylon bullnosed end caps, wire management door optional), 1" diameter levelers. Each table comes with

a 6 outlet power strip, 1" x 3" J style wire management channel (12 amp rated). The top is finished with laminate and PVC trim, modesty panel finished with melamine and PVC trim. The size of the table is the middle 6 digits of the item number (in inches): WxDxH.

Item Number	Short Description	MSRP	Dealer Net	Weight
DDR-602428-MCx	Double Table, tubular legs	\$946	\$568	108
DDR-602428-SCL	Double Table, tubular legs	\$1,231	\$738	112
