

# flipIT® Desks

Multi-use classrooms with genuine flipIT® Wide Screen Workstations

DFI-782630-K23

**Double flipIT® Desk**  
with flipIT® FIK-23

Built for hard, institutional use, flipIT® Desks have generously sized CPU bays, plenty of knee space, and feature the genuine flipIT® Wide Screen Display Support System. No longer will you trip over cords, these desks include wire management inside the knee space, behind the CPU bays and through to the neighboring desk using the side grommets. Each desk includes 6-outlet power strip with 10-foot cord. Desks come in varying widths in single, double and instructor configurations.

Choose your colors from a wide assortment of laminates by WilsonArt®, Formica®, and Pionite® — trusted names for quality and performance.

DFI-722630-K19 **Double flipIT® Desk** with flipIT® FIK-19

## Newtops™

A green way to upgrade and extend your budget

Genuine flipIT® products can be incorporated into most SMARTdesks products, and even as a retrofit for existing classroom desks.

This classroom has been upgraded using existing table bases and Newtops™ manufactured to replace the old tops and attach perfectly to table bases. This green practice permitted the school to upgrade 5 classrooms instead of 3, using the same budget.

## flipIT Desks

FI Series desks contain one of our flipIT kits for LCD monitors or laptops. Desks contain either the FIK flipIT, FIH flipIT or FIL flipIT laptop safe. Most desks with FIK flipITs or FIH flipITs come with a CPU bay. Desks with the FIL laptop safe do not have a CPU bay. All desks have 1" x 3" J style wire management channel (12 amp rated), wire

management grommets on sides; top surface finished with high-pressure laminate, base finished in melamine, 3mm PVC edge trim. Desks come with 1.25" steel floor leveling glides with .75" adjustment. The size of the desk is the middle 6 digits of the item number (in inches): WxDxH.
